15 UNION SQUARE WEST HOSTS HOLIDAY CELEBRATION IN FINAL AVAILABLE HOME

Brown Harris Stevens Select and 15 Union Square West developer Brack Capital Real Estate hosted an evening of live jazz with pianist Robert Bosscher in the condominium's final available home. Guests enjoyed freshly shucked oysters from Oysters XO, hors d'oeuvres from Tocqueville and holiday cocktails while reveling in residence 3A, a stunning park-facing home with vast treetop views of Union Square Park through the original cast iron arches of the 1870 Tiffany & Co. headquarters.

The gracious two-bedroom, approximately 2,189-square-foot home, on the market for \$5.5 million, features a grand entry foyer, dark-stained hardwood flooring throughout and custom

finishes by acclaimed designer Vicente Wolf. Perfect for entertaining, the magnificent living/dining room includes ceilings reaching up to 16 feet and a custom designed open kitchen with marble countertops and top-of-the-line appliances including Viking, Sub-Zero and Miele.

15 Union Square West is just steps from the neighborhood's acclaimed Greenmarket, shopping, playgrounds and world class dining, while presenting residents the luxury of privacy as the building's entrance is discreetly set on West 15th Street. The central location at the epicenter of Downtown Manhattan presents easy access to destinations throughout the City. ■
